## INVITATION TO AGC MEMBERS

### EXHIBITION PARTICIPATION

*La Danse Précieuse*

*Scatti di Svetlana Avvakum dal Bolshoi Ballet Academy Summer Intensive, Urbino 2017*

***“The exhibition designed in Urbino, within the collaboration agreement between the University of Urbino Carlo Bo and the Dance Academy of the Bolshoi Theater in Moscow, through Russian Ballet International, gave birth in the summer of 2017 to a multi-faceted project in which two different worlds have been combined, yet united by a similar aesthetic research: art and dance.”***

Taking inspiration from the words of Olga Strada, Director of the Italian Cultural Institute of Moscow, AGC members are invited to participate at the AGC event that will see them involved in the exhibition that will be held in Padua: **“La Danse Précieuse, Scatti di Svetlana Avvakum dal Bolshoi Ballet Academy Summer Intensive, Urbino 2017”**

The project, which aims to develop a harmonious dialogue between the arts such as dance, photography and contemporary jewelery, is curated by Francesca Bottacin, Professor at the University of Urbino, with the collaboration of Maria Rosa Franzin, President of Agc Board and Nichka Marobin.

The members, including schools, are all invited to create and exhibit a work, which is freely inspired by the images of the students of the Bolshoi Ballet Academy.

For the event, without selection, no participation fee will be required. Each author may submit 1 work inspired by one or more photographs.

Members will be able to consult all the images through a shared link, so they can freely choose the inspiring subject.

The intention is to illustrate the connection between the art of photography and the art of jewelry with a wide variety of styles, techniques and materials.

The exhibition opening will be at BARCO TEATRO, in Padova (forthcoming date).
